My Bus Lawrence

Quickly and easily track the location of KU and city buses.

- View scheduled routes.
- Estimate pick-up times (based on current location of the bus on its route).

RAVE GUARDIAN

Helps enhance personal safety through real-time interactive features that enable students to connect with a network of friends and family, as well as public safety staff at the Lawrence and Edwards campuses.

Jayhawk GPS

Jayhawk GPS by Navigate Student is the most-convenient way for you to track your academic advising information. Schedule advising times, discover academic resources and more.

MICROSOFT OFFICE for MOBILE

Microsoft Word

Microsoft Excel

Microsoft PowerPoint

Microsoft OneNote

Microsoft OneDrive

Microsoft Authenticator

KU students can download and use Microsoft Office on up to five devices, including smartphones and tablets, at no cost. Download the full mobile versions of Microsoft Office programs from your device's app store and sign in with your KU email address. You'll then be taken to the KU login screen where you'll login as normal. You'll also need to install Microsoft's Authenticator app on your device, but you won't need to sign in to it.

Visit rockcha.lk/MOfficeApps for more information.
